EXPERIENCE

Mastercard — *Pune, India*
Software Engineering Intern — Payment Networks — *May 2026 – Jul 2026*

- Developed a Spring Boot microservice (POC) to enable same-day (T+0) fund settlement eligibility by validating liquidity and communicating real-time decisions via gRPC.
- Built a distributed backend using Spring Boot, Apache Ignite Cache; satisfying the system level requirement of meeting 120 ms latency, 10K peak TPS, and 99.999% availability.

PROJECTS

MaintenOps

- **Digitized maintenance operations for ISKCON NVCC**, streamlining 100+ monthly requests through a centralized request management platform.
- Developed a React.js, Spring Boot, and PostgreSQL application with image-based issue reporting, real-time tracking, and end-to-end request lifecycle management.
- Implemented JWT-based RBAC with quotation management, multi-stage approvals, and role-specific dashboards.

RateGuard

- Developed a **distributed Sliding Window Rate Limiter** using Spring Boot and Redis, enabling configurable endpoint-specific request throttling with HTTP 429 enforcement.
- Implemented atomic Redis Lua scripting with Sorted Sets to eliminate race conditions while efficiently tracking request timestamps in a distributed environment.
- Integrated Micrometer metrics, Spring Boot Actuator, structured logging, and Dockerized deployment to provide observability, performance monitoring, and simplified containerized execution.

SKILLS

Languages: C++, JAVA, Javascript

Tools & Frameworks: GitHub, Postman, Spring Boot, REST APIs, gRPC

Core: Data Structure & Algo., Computer Networks, Operating Systems, DB - PostgreSQL

ACHIEVEMENTS

- Achieved a stellar **9.88** CGPA, demonstrating unwavering dedication to learning and academic excellence.
- Solved 500+ problems on Leetcode (max rating 1740) and GeeksForGeeks

EXTRA-CURRICULARS

- **Technical Head, Mentor & Coordinator — EthiCraft Club, PICT**
  Led event planning and execution for club activities, coordinating services, and ensuring smooth operations for both indoor and outdoor events.
- **Class Representative** – Facilitated coordination between faculty and students for academic activities.
